

**RESEARCH INTEREST FORM**

We welcome undergraduate and non-degree students to volunteer and participate in our research laboratories. It's an excellent opportunity for students to complement classroom studies while preparing for post-undergraduate studies.

If you're interested in gaining an in-depth research experience in a SHS research laboratory, complete this form and send it to [sphrsci@unm.edu](mailto:sphrsci@unm.edu).

**Name:**

**Email address:**

**Research Interests: Check all that apply.**

- AAC (Binger)
- Aphasia, Brain Injury (Richardson)
- Autism Spectrum Disorders (Gevarter)
- Bilingualism (Patterson & Rodríguez)
- Speech Acoustics & Intelligibility (Neel)
- Swallowing & Voice (Palmer)
- Stuttering (Arenas)

**Research-Related Skills and Experience: Check all that apply.**

- Transcription
- Acoustic Analysis
- Computer programming
- Statistics
- Second Language Proficiency
- Excel

Other: \_\_\_\_\_ (specify)

**SHS Coursework Completed: Place a check next to each completed course.**
