

The experience of being a parent of a child who stutters and subsequent involvement in support groups

Seeking parents of children who stutter to participate in a research project. You meet the inclusion criteria for participation if you:

- are 18 years or older
- are a proficient English speaker
- are a parent of a child who stutters that is 10 years old or older
- have participated in at least one national stuttering support group conference (e.g. Friends).

If you decide to join the project, you will be asked to:

- Participate in a video conference interview about your experiences as a parent of a child who stutters. The interview will take approximately one hour.

You will receive a \$30 gift card for participating in the study.

This project is being conducted by Rick Arenas, Associate Professor at the the University of New Mexico. Contact Information: Please call 319-936-1287 or email rickarenas@unm.edu to get more information or to schedule an interview.
