*Assistantship and Financial Matters
&
Financial Aid Application*

If you wish to be considered for any type of financial aid administered through this department, you **must** fill out and return the attached application form.

Some types of departmental and university financial aid require a completed FAFSA. Information about FAFSA and on-line access to the FAFSA form are available on the UNM Student Financial Aid office website at <http://financialaid.unm.edu/index.html>. **A FAFSA must be completed in order to be considered for any financial aid awarded on the basis of unmet financial need.**

Our department website lists some of our available scholarships shs.unm.edu/programs/master-of-science/funding.html. Additional information about scholarships, loans and other sources of support can be obtained from the UNM Office of Graduate Studies: <http://grad.unm.edu/funding/> or (505) 277-2711.

We strongly encourage you to complete both the FAFSA and the department financial aid applications so that you can be considered for departmental aid and other financial aid. You can only be considered for financial aid if you complete the department financial aid form (see the next page). For admissions, only prospective graduate students who complete the financial aid form are eligible for scholarships or financial aid.

If you have any questions after reading this material, please visit the department's website at <http://shs.unm.edu> or call the department at (505) 277-4453.
